CarubaTM

BLACK

Cordyline fruticosa 'Bra01'

Exotic Colour, Low Maintenance

From the rich exotics of New Guinea comes an exciting new foliage plant, rich in colour and compact in growth. **Caruba BLACKTM** creates garden magic with its vivid shiny purple-black foliage either planted on its own, or combined with other tropical plants. Outdoors **Caruba BLACKTM** prefers warm to tropical climates, and in cooler climates it makes a wonderful patio feature or stunning indoor plant placed near a window.
