Cordyline australis 'Sunrise' PBR

Cordyline australis 'Sunrise' with its vivid, shiny and colourful palm like leaves in pink and red is a stunning feature for your patio container or garden border. 'Sunrise' looks great in a tall patio container as its foliage cascades elegantly over the edges of the container. It can also be planted in small groups in your garden.

Flower: White in summer on mature plants

Leaf: Linear burgundy red leaves with a pink margin, cascading foliage

Size: 1.0m H x 1.0m S / Trunk forming

Preferred Location: Patio container / Garden border

Likes:  Full sun and free draining soil in a sheltered location.

Dislikes:  Water logged soil and temperatures below -5°C.

**For decoration purposes only,
not fit for consumption.**

**Cordyline australis 'Sunrise' is subject to European
Plant Breeders Rights under nr. EU 2006/1887.
Propagation is strictly prohibited without prior
authorisation from the breeder.**
