Liriope muscari 'Variegata' is an excellent plant for edging, groundcover and anywhere shady in your garden. This plant with its striking foliage and lilac/purple flowers is ideal for planting in large groups as well as path and border edging situations. The flowers are followed by blue/black berries in autumn. Liriope muscari 'Variegata' is a very effective container plant on its own or in conjunction with other plants to add year round interest to the patio or balcony area.
