Yucca **gloriosa 'Bright Star' PBR**

Yucca gloriosa 'Bright Star' is a bright colourful plant for your patio container or your garden border. With its luminous golden and green variegated leaves it accentuates your garden all year round. The colour of the leaves does not fade and with autumn on its way the edges of the leaves turn dark pink. Yucca gloriosa 'Bright Star' does not only attract through its architectural growth and the evergreen luminous leaves, it also produces very attractive white, bell-shaped flowers emerging from pink flower buds during the summer. It is an easy to grow, drought tolerant and low maintenance plant ideal for your garden or patio container.

Flower:	Tall flower stem with pink buds and white flowers in summer
Leaf:	Green variegated spiky leaves with a broad golden yellow margin developing a dark pink border in the autumn
Size:	1.5m H x 1.0 m S / Clump forming
Preferred Location:	Garden border / Patio container
Likes:	 Most soil conditions
Dislikes:	 Water logged soil and temperatures below -15°C.

For decoration purposes only, not fit for consumption.

Yucca gloriosa WALBRISTAR ('Bright Star') is subject to European Plant Breeders Rights under nr. EU 2008/0362.

Propagation is strictly prohibited without prior authorisation from the breeder.
