

Ensete ventricosum 'Maurelii'

For Garden, Patio and Conservatory

An outstanding banana plant, ideal for garden, patio or conservatory.

The fantastic colour and leaf form combines perfectly with a compact but luxurious appearance.

Easy to grow outdoors in summer. Overwinter in conservatory. As an easy care house or office plant this banana thrives in well lit frost free areas.

A must for any exotic planting arrangement indoors and outdoors.

Fantastic Exotic Foliage

Compact Form

Deep Burgundy Leaf

Easy Care
