

Hakonechloa macra 'Aureola'

For Container, Patio and Garden

A most outstanding deciduous compact foliage plant from Japan.

Graceful, colourful, mound forming grass suitable for shaded or semi shaded areas.

Elegant weeping foliage, flows like a waterfall, making it ideally suited for containers.

Soft gently movement in the lightest breeze.

Paper thin foliage rustles quietly in a light breeze which makes this plant a wonderful addition to any patio or garden.

Once well established plants are used Hakonechloa gives years of trouble free pleasure.

Outstanding Summer and Autumn Foliage

Ideal Container and Small Garden Plant

Easy Care and Maintenance
